suspended sentence, imprisonment, curfew requirements etc)?

Please note a CRB Disclosure will show all spent and unspent convictions, cautions, warnings, reprimands and any other information held on your Police record, both on a local and national level. Therefore, it is important that you are honest with us at this stage by declaring the details of your record, if applicable, and to prevent your registration with the company from being rejected at a later stage. A criminal record does not necessarily mean a bar to registration with CRG.
